Re: Spring 2022 Final Examination Schedule

Below is the Spring 2022 Final Examination Schedule that indicates the dates, times, rooms, and buildings for final examinations. Due to the larger number of hybrid classes, there could be a different room assigned. Please double check exam room assignment.

Any student who has a time conflict or who has three or more examinations on one day should click on the following link: <https://baruch.cuny.edu/conflictexam>

With the following exception:

Courses in the Department of Mathematics and the Stan Ross Department of Accountancy are **not eligible** to be moved.

Students with conflicting exams on either incoming or outgoing permit:

Any Baruch student **who is** enrolled in a course outside of Baruch on an approved epermit/permit and provides official documentation that the course final from the other institution is on the same day as their Baruch final, can move their Baruch final (with the exception of CSTM, MTH ACC and TAX) to the conflict resolution date.

Any non-Baruch student **who is** enrolled in a course at Baruch on an approved epermit/permit and provides official documentation their course final from their other institution is on the same day as their Baruch final, can move their Baruch final (with the exception of CSTM, MTH, ACC and TAX) to the conflict resolution date.

Conflict Examination sessions date/times: Thursday, May 19 at 1:00pm to 3:00pm and 6:00pm to 8:00pm Room B-5-150 VC.

All students who need to make final arrangements should do so during 12:01 AM on Thursday, April 21, 2022 to 4:59PM on Monday May 2, 2022. to resolve their final examination issues.
